CLERK'S OFFICE
2014 MAY 28 P 4:53
DISTRICT COURT
BOSTON, MASS.

City of Cambridge

(Cambridge) Police Dept

David Knight is a resident of
Woburn Massachusetts and a
Citizen of the United States

The City of Cambridge is a City in
~~the~~ Massachusetts, state in the
United States

2

On May 28, 2011, David Knight and
 friend Debby Scott went to the
 Hong Kong Restaurant on Mass Ave
 in Harvard Square, Cambridge Ma
 to get take out Chinese food to take home

I received my food and was ready to

leave, on the way there was an officer
 at the door (city door)
~~who~~ who followed us out of the restaurant.

David stopped in front of Bentley's to
 say hello to a couple of guys he knew
 He handed me the bag of Chinese food
~~I walked out of the space up on the left~~

~~to get the legally parked car beyond
 Hampton St~~

3

I walked a better way up to
get the car and backed it up
to pick up Vland.
While I went to get the car
the officer ~~was~~ who had followed us
of the restaurant walked over near Dave
and said "How are you Guys Ding"
and walked back to the restaurant
and stood in front of the restaurant
Dave finished talking to the guys
and when I locked up, he got in
the car on the passenger side.

At that point the officer knocked really
hard on my driver side window, yelled
told the window down and turn the
car off and give me the keys

4

He screamed at me to give him
the keys. David said to me
NO 'you don't have to give him your
keys'. I turned off the car and
he ~~had~~ reached across in front of
me (thru the Drivers Window) and poked
David ~~in~~ the face twice!

When David finally found his way
out of the car and behind the car
and asked the officer what was wrong
with him and why did he (the officer)
punch David in the face. One you
standing behind your badge, what
is wrong with you, is this normal Protocol

5

When the Officer (Joe Kelly)
haduffed David to the
mail Box on the corner of Mass Ave
and Plympton st.

There was no reason for this
to occur! David feels that
he was targeted (singled out)
for no apparent reason David
was arrested, put a paddy wagon
driven away to the Jail at the Police
Station (Cambridge) Ma He was
booked up charged with disorderly
conduct then they taken ~~charges~~ (added)
assaulting a Police Officer.

6

They held him in Jail for
seven hours, ~~with no food~~

Dave was bailed out late in
around late morning early afternoon
had to return to court the following
Tuesday (because it was a Memorial
Day weekend) that Tuesday is when
they added the Assault charge to the
other (disorderly charge) we followed
thru with the Court process and
was later (February 21, 2012) found
not guilty of all Charges!

This was a case of Police Refusing

7

David is Black and Debby is white. It was also a case of Police misconduct, and rights violation and a wrongful arrest.

David is already blind in one eye which makes the even worse because this miscarriage of Justice has done to a handicapped person. ~~the~~ David ~~has~~ been betrayed by David - His life has been severely altered. He is always looking over his shoulder and not being a ~~total~~ ^{left} ~~left~~

8

He had had to go Back and
forth to the District too

He is humiliated beyond

Belief

~~from~~ David He has been

ruined Because of this incident
as David is afraid to leave his
